**VOLUNTARY ANNOUNCEMENT  
INCREASE IN SHAREHOLDING OF THE COMPANY BY  
THE CHAIRMAN OF THE BOARD**

This announcement is made by UISEE Technologies (Beijing) Co., Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis.

The Company is pleased to announce that the Board was informed by Mr. Wu Gansha (“**Mr. Wu**”), the Chairman of the Board and Executive Director of the Company that on 12 October 2026, Mr. Wu purchased a total of 12,000 H shares with his own funds (the “**Increase in Shareholding**”) on the open market of The Stock Exchange of Hong Kong Limited. Immediately following completion of the Increase in Shareholding, the total number of H shares of the Company in which Mr. Wu is interested will increase to 31,292,590 H shares, representing approximately 24.69% of the total issued H shares of the Company.

The Company considers that the Increase in Shareholding represents Mr. Wu’s strong confidence in the business development, strategic direction and long-term prospects of the Group. As a leading enterprise dedicated to full-scenario L4 autonomous driving, the Group has established a dominant market position in scenarios such as airports and factory areas, and continues to expand its business into diverse application scenarios including ports, urban areas, mines, farms, and public roads. With a steady increase in overseas revenue growth, the Group has achieved significant breakthroughs in overseas market expansion, contributing a new growth curve for globalization, and creating a clear long-term growth trajectory and considerable value enhancement potential. The Increase in Shareholding reflects Mr. Wu’s support for the Group through concrete actions and his positive outlook on its long-term value, and demonstrates his commitment and support as the Chairman of the Board and Executive Director to the long-term development of the Group.

The board of directors believes that the Increase in Shareholding fully demonstrates the alignment of interests between the core management and its shareholders, and reflects Mr. Wu's recognition of and support for the Group's continuous technological innovation and implementation of commercialization, which will help bolster investor confidence, safeguards the value of the Company and the overall interests of the shareholders, and is in the best interests of the Company and its shareholders as a whole.
