3. **IMPORTANT:** Resolutions 1 and 2 will adopt the cumulative voting system, under which each H Share held by a Shareholder carries a number of votes equal to the number of Directors to be elected, and such voting rights can be cast cumulatively. For each Director candidate, please fill in the number of votes you cast in the box marked "**FOR**". Specifically: (1) for the election of Directors (excluding independent non-executive Directors), the number of votes each Shareholder is entitled to is equal to the number of H Shares held by such Shareholder multiplied by the total number of Directors (excluding independent non-executive Directors) to be elected (3). Each Shareholder may cast all his/her/its votes for a single candidate for Directors (excluding independent non-executive Directors) or may cast them for different candidates for Directors (excluding independent non-executive Directors) in any combination; and (2) for the election of independent non-executive Directors, the number of votes each Shareholder is entitled to is equal to the number of H Shares held by such Shareholder multiplied by the total number of independent non-executive Directors to be elected (3). Each Shareholder may cast all his/her/its votes for a single independent non-executive Director candidate or may cast them for different independent non-executive Director candidates in any combination. If you mark "✓" in the space against the names of the Director candidates, you will be deemed to have allocated your total number of votes equally among the corresponding Director candidates under that resolution group. For the instructions on the voting method for the election of Directors (excluding independent non-executive Directors) and independent non-executive Directors under the cumulative voting system, please refer to Appendix II to the circular of the Company dated 29 October 2026. The sum of the votes you cast for one or more Director Candidates must not exceed the total number of votes you are entitled to for that resolution group; otherwise, your vote will be invalid. If the sum of the votes you cast for one or more Director candidates is less than the total voting rights you are entitled to for that resolution group, the vote is valid and the difference is deemed to be abstained.

   Resolution 3 will adopt the non-cumulative voting system. If you wish to vote for any resolution, tick in the box marked "**FOR**" or insert the number of H shares held by you.
