CHANGE IN BOARD LOT SIZE

The board of directors (the "**Board**") of IDT International Limited (the "**Company**", together with its subsidiaries, the "**Group**") hereby announces that the board lot size of the ordinary shares in the share capital of the Company (the "**Share(s)**") for trading on the Main Board of The Stock Exchange of Hong Kong Limited (the "**Stock Exchange**") will be changed from 18,000 Shares to 500 Shares with effect from 9:00 a.m. on Monday, 23 November 2026 (the "**Change in Board Lot Size**").

Based on the closing price of HK$6.1 per Share as quoted on the Stock Exchange as at the date of this announcement, the market value of each existing board lot of 18,000 Shares is HK$109,800. Upon the Change in Board Lot Size becoming effective, the market value of each board lot of 500 Shares will be HK$3,050 (based on the closing price of HK$6.1 per Share as quoted on the Stock Exchange as at the date of this announcement). The Change in Board Lot Size will reduce the board lot value. The Board is of the view that the reduction in board lot value resulting from the Change in Board Lot Size may improve the liquidity of the Shares and broaden the base of the Company's shareholders (the "**Shareholders**"). The Change in Board Lot Size will not affect any of the relative rights of the Shareholders. The Board considers that the Change in Board Lot Size is in the interest of the Company and the Shareholders as a whole.

* *For identification purposes only*

As no odd lot of the Shares will be created as a result of the Change in Board Lot Size (other than those already existed before the Change in Board Lot Size becoming effective), no odd lot arrangement to match the sales and purchase of odd lots will be made by the Company.

As at the date of this announcement, the Company has no intention to carry out other corporate actions in the next twelve months which may have an effect of undermining or negating the intended purpose of the Change in Board Lot Size.
