VOLUNTARY ANNOUNCEMENT
OCTOBER 2026 DELIVERY UPDATE

This is a voluntary announcement issued by VOYAH Automotive Technology Co., Ltd. (the "**Company**" or "**VOYAH**").

The Company delivered 13,030 vehicles in October 2026. The Company's year-to-date deliveries reached 128,511, an increase of 13% year-on-year.

Recently, the Company's factory was recognized by the Ministry of Industry and Information Technology of the People's Republic of China as a 2026 National Excellence-Level Smart Factory, making it currently the only complete vehicle manufacturing plant in Hubei Province to have received this designation. An Excellence-Level Smart Factory is the nationally leading benchmark tier recognized under the national smart factory gradient cultivation system, and is an authoritative recognition in the field of intelligent manufacturing in China, indicating that the Company's levels of digitalization, networking and intelligentization have reached a leading position in China. Accordingly, VOYAH has become a new energy vehicle enterprise holding dual certifications of both a "National Green Factory" and a "National Excellence-Level Smart Factory".

ABOUT VOYAH

VOYAH is the premium intelligent new energy vehicle brand under Dongfeng Motor Corporation, committed to providing customers with products and services rooted in Chinese cultural heritage. As a user-oriented technology enterprise with the full value chain covering design, research and development, manufacturing, supply chain, sales and services, the Company has built end-to-end in-house R&D capabilities and leading-edge innovation strength. It has developed model series such as Dream, Taishan and Passion, fully covering the three segments of MPVs, SUVs and sedans. VOYAH is the first premium new energy vehicle brand under China's central state-owned enterprises to achieve cumulative deliveries of 400,000 units.
