VOLUNTARY ANNOUNCEMENT IN RELATION TO SHARE REPURCHASE PLAN

This announcement is made by Cowell e Holdings Inc. (the "**Company**", together with its subsidiaries, the "**Group**") on a voluntary basis to the shareholders of the Company (the "**Shareholders**") and potential investors.

Reference is made to the circular of the Company dated 27 April, 2026 and the announcement of the Company dated 28 May, 2026, in relation to, among others, the general mandate to repurchase (the "**2026 Repurchase Mandate**") shares of the Company (the "**Shares**") granted by the Shareholders to the directors of the Company (the "**Directors**") at the annual general meeting of the Company held on 28 May, 2026. Reference is also made to the announcement of the Company dated 3 July, 2026 (the "**Announcement**") in relation to the Share Repurchase Plan of the Company. Unless otherwise defined herein, capitalized terms used in this announcement shall have the same meanings as those defined in the Announcement.

The Board hereby announces that on 2 November 2026, the Board has authorised and approved an increase of the aggregate consideration of the Share Repurchase Plan from HKD320 million to up to HKD720 million for the period from 3 July 2026 to 2 November 2027. Save for the adjustment of the proposed total consideration, there is no other change to the terms and details of the Share Repurchase Plan.

As at the date of this announcement, approximately HKD249 million was spent under the Share Repurchase Plan. For the avoidance of doubt, any repurchase of the Shares after the expiry of the 2026 Repurchase Mandate shall be subject to the new share repurchase mandate(s) to be granted to the Board at the annual general meeting of the Company to be held in 2027. The Board will review the Share Repurchase Plan periodically, and may authorize adjustments of its terms and size or suspend or discontinue the plan. The Company expects to finance the repurchases under the Share Repurchase Plan with its available cash balance and internal resources, while maintaining sufficient financial resources for the continued growth of its operations. Shareholders and potential investors can refer to the Announcement for the details of the Share Repurchase Plan and to the Next Day Disclosure Returns of the Company for details of the repurchases by the Company available at the HKEXnews website of Stock Exchange at www.hkexnews.hk.

The Board believes that the Share Repurchase Plan (and the increase of total consideration) reflects the Company's strong confidence in its strategic roadmap and future value creation, and will ultimately benefit the Company and create value for its Shareholders.

The Directors have no intention to exercise any repurchase mandate to the extent that would result in the number of Shares in the hands of the public falling below the minimum percentage as prescribed by the Stock Exchange or give rise to an obligation to make a general offer to the Shareholders under Rules 26 and 32 of the Takeovers Code.

The Company may cancel or hold in treasury such repurchased shares subject to market conditions and the Group's capital management needs at the relevant time of the repurchases, in each case in accordance with the relevant repurchase mandate, articles of association of the Company, applicable laws and regulations and the Listing Rules. The Company will comply with the disclosure obligation under the Listing Rules in relation to any changes in its issued shares arising from the Share Repurchase Plan, including the publication of the next day disclosure return on the Stock Exchange's website and on the Company's website.

Shareholders and potential investors should note that any repurchase of Shares may be subject to market conditions and at the Board's absolute discretion. There is no assurance of the timing, quantity or price of any share repurchase or whether or not the Company will complete any share repurchase, and there is no assurance that the new share repurchase mandate(s) will be approved by the Shareholders at the annual general meeting of the Company to be held in 2027. Shareholders and potential investors should therefore exercise caution when dealing in the Shares.
