VOLUNTARY ANNOUNCEMENT
STRATEGIC COOPERATION AGREEMENT

This announcement is made by Direct Drive Tech Limited (the "**Company**") on a voluntary basis to provide the shareholders and potential investors of the Company with an update on the latest development of the Company.

The Company is pleased to announce that, on the date of this announcement, the Company entered into an agreement (the "**Strategic Cooperation Agreement**") with EVERYBOT Inc. (listed on KOSDAQ, stock code: 270660.KS, "**Everybot**") in relation to strategic cooperation between the parties across multiple areas.

STRATEGIC COOPERATION AGREEMENT

Under the Strategic Cooperation Agreement, the Company and Everybot will cooperate in the following areas for a period of three years from the date of the agreement:

- **Marketing:** The parties will collaborate on commercial activities targeting global markets, including joint marketing, demonstrations at trade shows, pilot projects and customer engagement, to accelerate the market validation and commercialization of their innovations;

- **Joint research and development:** The parties will address the needs of the local Korean market and overseas markets, focusing on key applications such as manufacturing, logistics and elderly care, to adapt products for local use and jointly develop and refine product solutions tailored to market needs; and

- **Distribution authorization:** The Company authorizes Everybot to act as its distributor in the Korean market, responsible for the import, distribution, marketing, installation support and after-sales services for the Company's robot and actuator module product series in Korea. The distribution arrangement will cover all online and offline channels and serve both public settings and enterprise customers, providing comprehensive support for local users.

REASONS FOR AND BENEFITS OF ENTERING INTO THE STRATEGIC COOPERATION AGREEMENT

The board of directors of the Company believes that the signing of the Strategic Cooperation Agreement marks an important first step in implementing the Company's global strategy for embodied intelligence. Expansion into overseas markets is also one of the Company's core strategic initiatives and is consistent with its strategic direction of "globalization" and "localization in overseas markets". This cooperation will draw on the parties' respective strengths in the intelligent manufacturing of robotic products, industry experience and local distribution networks in Korea, achieving mutual empowerment between intelligent robotics manufacturing and deep cultivation of the Korean market, and supporting the continued expansion of the Company's embodied intelligence products into global markets.

INFORMATION ON THE COMPANY

The Company is a leading global robotics technology enterprise with a core focus on direct-drive technology. It specializes in the research, development and manufacturing of direct-drive actuator modules, robotic joints and robot bodies. Its products are available in more than 50 countries and regions worldwide, and it has proven experience in application scenarios such as consumer robots, embodied robots, industrial automation and intelligent equipment.

INFORMATION ON EVERYBOT

Everybot is a leading embodied intelligence robot company in Korea. In recent years, Everybot has been actively pursuing strategic expansion into cutting-edge technology fields such as autonomous driving platforms, physical AI robots and humanoid robots. It has launched a number of service robot pilot projects in Korea for applications such as short-distance delivery, manufacturing operations and elderly care, and has well-established distribution channels and an after-sales service network covering both the public and private sectors in Korea as well as global markets.

To the best of the directors' knowledge, information and belief, having made all reasonable enquiries, as at the date of this announcement, Everybot and its ultimate beneficial owners are third parties independent of the Company and its connected persons.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
