VOLUNTARY ANNOUNCEMENT
LEGEND ANNOUNCES PRESENTATIONS AT THE AMERICAN SOCIETY OF HEMATOLOGY ANNUAL MEETING

This is a voluntary announcement made by Genscript Biotech Corporation (the "**Company**").

The board of directors (the "**Board**") of the Company is pleased to announce that Legend Biotech Corporation ("**Legend**"), an associate of the Company, whose shares are listed by way of American Depository Shares on the Nasdaq Global Select Market in the United States, has filed a Form 6- K with the United States Securities and Exchange Commission (the "**SEC**") on 4 November 2026 (New York time) (after trading hours on 4 November 2026 in Hong Kong) and announced that Legend will deliver two oral presentations, two poster presentations, and one ePublication on CARVYKTI® (ciltacabtagene autoleucel; cilta-cel) for multiple myeloma at the 68th Annual American Society of Hematology (ASH) Annual Meeting taking place from December 12-15, 2026, in New Orleans, LA. In addition to the CARYVKTI data, Legend will also deliver a poster presentation on LUCAR-G39D, an anti-CD20/CD19 dual-CAR allogeneic gamma delta T-cells in relapsed or refractory B-cell non-Hodgkin lymphoma, and a poster presentation on LB2501, its first-in-human in vivo CD19/CD20 dual targeting CAR-T therapy, being evaluated in patients with relapsed or refractory B-cell non-Hodgkin lymphoma. For details, please refer to the Form 6-K as published on the SEC's website available at https://www.sec.gov/Archives/edgar/data/1801198/000117184326007100/0001171843-26-007100-index.htm and the press release as published on Legend's website available at https://investors.legendbiotech.com/press-releases.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

Statements in this announcement about future expectations, plans, and prospects, as well as any other statements regarding matters that are not historical facts, constitute "forward-looking statements" within the meaning of The Private Securities Litigation Reform Act of 1995. These statements include, but are not limited to, statements relating to Legend's strategies and objectives; statements relating to CARVYKTI®, LB2501 and LUCAR-G39D, including Legend Biotech's expectations for their development and therapeutic potential; statements relating to planned data presentations at ASH 2026 and potential results from ongoing clinical studies and real-world analyses; and the potential benefits of Legend's product candidates. The words "anticipate," "believe," "continue," "could," "estimate," "expect," "intend," "may," "plan," "potential," "predict," "project," "should," "target," "will," "would" and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. Actual results may differ materially from those indicated by such forward-looking statements as a result of various important factors. Legend's expectations could be affected by, among other things, uncertainties involved in the development of new pharmaceutical products; unexpected clinical trial results, including as a result of additional analysis of existing clinical data or unexpected new clinical data; unexpected regulatory

actions or delays, including requests for additional safety and/or efficacy data or analysis of data, or government regulation generally; unexpected delays as a result of actions undertaken, or failures to act, by Legend's third party partners; uncertainties arising from challenges to Legend's patent or other proprietary intellectual property protection, including the uncertainties involved in the U.S. litigation process; government, industry, and general product pricing and other political pressures; as well as the other factors discussed in the "Risk Factors" section of Legend's most recent Annual Report on Form 20-F filed with the Securities and Exchange Commission. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in this announcement as anticipated, believed, estimated or expected. Any forward-looking statements contained in this announcement speak only as of the date of this announcement. The Company specifically disclaims any obligation to update any forward-looking statement, whether as a result of new information, future events or otherwise.

This announcement has been issued in the English language with a separate Chinese language translation. If there is any inconsistency or ambiguity between the English version and the Chinese version, the English version shall prevail.

Shareholders and potential investors of the Company are advised to pay attention to investment risks and exercise caution when they deal or contemplate dealing in the securities of the Company.

By order of the Board
Genscript Biotech Corporation
Robin Meng
Chairman and Executive Director

Hong Kong, 5 November 2026

*As at the date of this announcement, the executive Directors are Mr. Jiange Meng ("**Mr. Robin Meng**"), Dr. Fangliang Zhang ("**Dr. Frank Zhang**"), Dr. Li Zhu, and Ms. Ye Wang ("**Ms. Sally Wang**"); and the independent non-executive Directors are Mr. Yiu Leung Andy Cheung ("**Mr. Andy Cheung**"), Mr. Jiuan Pan ("**Mr. Ethan Pan**"), Dr. John Quelch, Dr. Ross Grossman, and Dr. Chenyang Shi ("**Dr. Victor Shi**").*
