PROFIT WARNING

This announcement is made by Fourace Industries Group Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to inform shareholders of the Company (the "**Shareholders**") and potential investors that, based on the preliminary review by the Board on the unaudited consolidated management accounts of the Group for the six months ended 30 September 2026, which have not been reviewed or audited by the independent auditors and/or the audit committee of the Company, and taking into account the information currently available to the Board, it is estimated that the Group will record a profit for the period of approximately HK$2.2 million for the six months ended 30 September 2026, as compared to the profit for the period of approximately HK$4.7 million for the six months ended 30 September 2025.

The decrease in profit for the six months ended 30 September 2026 was primarily attributable to the significant decrease in the sales of hair styling products to a major U.S. customer of the Group, partially offset by the increase in sales of hair styling products in the Japanese market and a reduction in administrative costs.

As the Company is still in the process of finalizing the unaudited consolidated interim results of the Group for the six months ended 30 September 2026, the information contained in this announcement is only based on the information currently available to the Board and the preliminary review by the Board on the latest unaudited management accounts of the Group for the six months ended 30 September 2026, which have not been reviewed or audited by the independent auditors and/or the audit committee of the Company.

The actual financial results of the Group for the six months ended 30 September 2026 may differ from what is disclosed in this announcement. Shareholders and potential investors are advised to read carefully the announcement of the Company in relation to the interim results of the Group for the six months ended 30 September 2026, which is expected to be published by the end of November 2026 in accordance with the requirements of the Listing Rules.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
