Announcement to Shareholders – Change in the index methodology of the Reference Index

Dear Shareholders,

We, as the Manager of the Company and the Sub-Fund, wish to inform Shareholders of the changes made by Hang Seng Indexes Company Limited (the "**Index Provider**") to the index methodology of the Hang Seng Tech Index (the "**Reference Index**"), the Reference index of the Sub-Fund, which will take effect on 7 December 2026 (the "**Effective Date**").

Changes to the Reference Index

With effect from the Effective Date, the index methodology of the Reference Index will be updated (the "**Changes**") by the Index Provider. The principal Changes are summarised below:

Area of change	Current index methodology	Revised index methodology
1. Sector requirement	The constituent should be classified in one of the following industries in the Hang Seng Industry Classification System: Industrials, Consumer Discretionary, Healthcare, Financials, Information Technology	Eligible candidates will no longer be required to fit into the five specified industries under the Hang Seng Industry Classification System

[1] SFC authorisation is not a recommendation or endorsement of a scheme nor does it guarantee the commercial merits of a scheme or its performance. It does not mean the scheme is suitable for all investors nor is it an endorsement of its suitability for any particular investor or class of investors.

2. Theme requirement	The constituent should have high business exposure to at least one of the below technology themes: Internet (including Mobile), FinTech, Cloud, E-commerce, Digital, or Autonomous	Technology themes are revised to the below: Digital Platforms & Solutions, Artificial Intelligence, Advanced Hardware, Robotics & Automation, Cloud and Frontier Technologies
3. Number of relevant technology sub-themes	16	24
4. Index universe	All Main Board-listed companies of the SEHK	Constituents of Hang Seng Composite LargeCap & MidCap Index
5. Constituent selection mechanism	Top 30 securities with the highest Market Value Rank will be selected	50 securities will be selected based on two streams: <u>Market Value Stream:</u> Top 40 securities with the highest Market Value Rank will be selected <u>Sales Growth Stream:</u> Among the eligible stocks not selected in the Market Value Stream, those with sales >= HKD 500 million in the latest two fiscal years are eligible for the Sales Growth Stream Top 10 securities in the Sales Growth Stream with the highest YoY Sales Growth Rank[2] will be selected
6. Number of constituents	30	50

Impact on the Sub-Fund

There will be no change to the fee level or cost in managing the Sub-Fund following the implementation of the Changes.

Save as otherwise set out above, there will be no impact on the operation and/or manner in which the Sub-Fund is being managed and the Changes will not affect the existing Shareholders of the Sub-Fund, and there will be no change to the features or risk profile of the Sub-Fund. The Shareholders' rights or interests will not be materially prejudiced as a result of the Changes set out in this Announcement.

The changes described in this Announcement do not require Shareholders' approval.

The latest index methodology and other general information on the Reference Index are available at https://www.hsi.com.hk/eng/indexes/all-indexes/hstech. [3]

[2] Sales growth based on reported sales for the past 12 months.
