Notes:

1. Each shareholder entitled to attend and vote at the EGM is entitled to appoint a proxy to attend and vote on his/her behalf at the EGM. A proxy need not be a shareholder of the Company. A proxy of a shareholder may vote on a poll. The shareholder shall have one vote for each share that they hold.

2. The H share register of members of the Company will be closed from Thursday, 26 November 2026 to Tuesday, 1 December 2026 (both days inclusive) for the purpose of determining shareholders entitled to attend the EGM. During the above-mentioned period, no H share transfer will be registered. H shareholders whose names appear on the H share register of members as at the close of business on Wednesday, 25 November 2026 are entitled to attend the EGM. In order to attend and vote at the EGM, H shareholders whose transfers have not been registered shall deposit the transfer documents together with the relevant share certificates at the H share registrar of the Company, Computershare Hong Kong Investor Services Limited at Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong no later than 4:30 p.m. on Wednesday, 25 November 2026.

3. The instruments appointing a proxy must be in writing under the hand of a shareholder or his/her attorney duly authorised in writing. If the shareholder is a corporation, that instrument must be under the hand of its duly authorised attorney. If that instrument is signed by an attorney of the shareholder, the power of attorney authorising that attorney to sign or other authorisation documents must be notarised.

4. The proxy form together with the power of attorney or other authorisation document (if any) must be deposited at the H share registrar, Computershare Hong Kong Investor Services Limited at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, for holders of the H shares of the Company, not less than 24 hours before the time fixed for holding the EGM or any adjournment thereof (as the case may be).

   Completion and return of the form of proxy will not preclude shareholders from attending and voting in person at the meeting or any adjourned meeting should you so wish.

5. The EGM is expected to last for half a day and shareholders (in person or by proxy) attending the meeting shall be responsible for their own transportation and accommodation expenses.

6. If the EGM is seriously affected by a typhoon or bad weather condition, the Company will post an announcement on the website of the Stock Exchange (www.hkexnews.hk) to notify shareholders of the date, time and place of the rescheduled meeting. The meeting may still be held as scheduled during a typhoon or bad weather condition. Shareholders of the Company should decide on their own whether they would attend the meeting under bad weather condition bearing in mind their own situations.

As of the date of this notice, the executive directors of the Company are Mr. Wu Gang and Mr. Cao Zhigang; the non-executive directors of the Company are Mr. Gao Jianjun and Ms. Yang Liying; the independent non-executive directors of the Company are Mr. Tsang Hin Fun Anthony, Mr. Liu Dengqing and Mr. Miao Zhaoguang; and the employee representative director of the Company is Ms. Yu Ning.

III. MAIN CONTENTS OF RELATED PARTY TRANSACTIONS

1. Pricing Policy of Related Party Transactions

The price will be determined by the following principles in hierarchical order:

(1) Price determined through tender process

Since the related parties are state-owned enterprises, sales of products to the related parties are mainly conducted through tender. The Company, as the tenderer, shall submit tender documents in response to the invitation to tender.

The Company formulates tender documents in accordance with tender requirements. Tender documents set out all material provisions and principal terms for completing the contracts. Sales of WTGs typically include the configuration of WTGs, technical plans and quality assurance requirements. The terms and price in respect of sales of products will be determined through the tender process.

During the tendering process, the tendering department of the Company is responsible for estimating the cost based on the scope of business, duration of business and degree of complexity (with reference to subcontractors' and suppliers' quotations), as well as estimating prevailing market price.

(2) Price determined by market price

For sales of WTG parts and components that do not require tender according to the Tendering and Bidding Law of the PRC(《中華人民共和國招標投標法》), the Company determines the price and terms with reference to the prevailing market price, the quality assurance requirements, the opportunities offered by the contracts, and the risks involved. Reference is made to the average transaction price of at least two or more transactions for the same or similar products provided to independent third parties by the Company in the ordinary and usual course of business. The terms and price in respect of sales of products conducted by the Company shall be consistent with those conducted with the independent third parties.

The Company has established a professional team to implement the sales procedures and has also monitored the sales process. Under the sales and monitoring procedures, departments such as the marketing center, finance center, audit and supervision department, and legal department will review and ensure that the terms and pricing offered by the Company to related parties for product sales are consistent with those offered to other independent third parties.

2. Details of Entering Agreements

In accordance with actual demands and market price, the Company will enter into relevant agreements and orders on each individual transaction thereunder with related parties.

IV. INTERNAL CONTROL MEASURES

To comply with the regulatory requirements on related party transactions under the Rules Governing the Listing of Securities on the Shenzhen Stock Exchange and the Main Board Listing Rules of The Stock Exchange of Hong Kong Limited, the Company has adopted the following internal control measures in respect of related party transactions conducted in the ordinary course of business:

(i) the Company will strictly comply with the Related Party Transactions Management Regulations, Implementation Rules for Routine Monitoring of Related Party Transactions and rules and regulations thereof, and gradually improve these rules and regulations in accordance with the actual situation;

(ii) according to the requirements under the Rules Governing the Listing of Securities on the Shenzhen Stock Exchange and the Main Board Listing Rules of The Stock Exchange of Hong Kong Limited and the changes for related parties, the Company will update the list of related parties in a timely manner, and estimate and monitor amount of related party transactions conducted in the ordinary course of business strictly according to the list of related parties;

(iii) the Company will closely monitor the implementation of related party transactions conducted in the ordinary course of business, analyze the reasons for deviations between the full-year forecast and the approved annual cap, and report to the independent non-executive directors on a monthly basis in respect of transactions that reach the approval authority of the Board to ensure that the amount of the related party transactions conducted in the ordinary course of business will not exceed the proposed annual cap;

(iv) the Company will conduct an early warning management for related party transactions, where the transaction amount reaches approximately 70% of annual cap at any time during the year, the full-year transaction amount will be re-assessed and reported to the connected transaction management committee of the Company, and transactions that reach the approval authority of the Board will be reported to the independent non-executive directors and the Board. The Board will consider taking appropriate measures, including but not limited to issuing announcement for the increase of annual cap, if applicable; and

(v) the audit and supervisory department of the Company will conduct regular and ad hoc reviews of the decision-making procedures for related party transactions, the execution of related party transactions and fund exchanges with related parties, and issues reports thereon.

V. PURPOSE OF RELATED PARTY TRANSACTIONS AND IMPACT ON THE LISTED COMPANY

The application for the estimated annual cap for related party transactions conducted in the ordinary course of business between the Company and its related parties is determined based on the Company's actual operating demands and the price is determined by fair market price. Such transactions are normal and necessary business activities. The conducting of related party transactions conducted in the ordinary course of business of the Company does not rely on any members of related parties, nor does it prejudice the interests of the Company and its shareholders. Such transactions thereunder have no adverse impact on the current and future financial position and operating results of the Company, and do not affect the independent operations of the Company.

The board of directors of the Company has resolved and approved the application to the National Association of Financial Market Institutional Investors (the "**NAFMII**") for the registration and issuance of long-tenor option-embedded medium-term notes on 23 October 2026. For the explanation of long-tenor option-embedded medium-term notes, please refer to the note on this page.
