UNUSUAL PRICE AND TRADING VOLUME MOVEMENTS

This announcement is made by Star Plus Legend Holdings Limited (the "**Company**" and together with its subsidiaries, the "**Group**") pursuant to Rule 13.10 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**").

The board (the "**Board**") of directors (the "**Directors**") of the Company has noted the increase in the price and trading volume of the shares of the Company (the "**Shares**") on 6 November 2026 (the "**Fluctuations**"). Having made such enquiry with respect to the Company as is reasonable in the circumstances, save as disclosed in this announcement, the Board confirms that it is not aware of any other reason for the Fluctuations, or of any information which must be announced to avoid a false market in the Company's securities, or of any inside information that needs to be disclosed under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The Company participated in the China International Import Expo, at which it officially launched the quadruped robot (the "**Product**") on 6 November 2026 for the first time. Such launch was a product launch activity conducted by the Group in its ordinary and usual course of business. The Product is a consumer-grade quadruped robot product with strong IP attributes jointly developed by the Group and an independent third party.

Further, the Company has noted recent media reports stating that ADATA Technology Co., Ltd. has purchased 1,000 units of robot dogs. Such purchase was previously disclosed in the voluntary announcement of the Company dated 4 November 2025 (the "**Previous Announcement**"). The media reports are consistent with the information disclosed in the Previous Announcement and do not relate to any new transaction or arrangement that has not been publicly disclosed.

As at the date of this announcement, the Product is in mass production, and delivery of the Product will be made in accordance with the actual production capacity. The Company will provide further updates to its shareholders and potential investors on any material development in respect of the production of the Product as and when appropriate in accordance with the Listing Rules.

This announcement is made by the order of the Company. The Board collectively and individually accepts responsibility for the accuracy of this announcement.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.

By Order of the Board
