VOLUNTARY ANNOUNCEMENT

This announcement is made by Q Technology (Group) Company Limited (the "**Company**", together with its subsidiaries, the "**Group**") on a voluntary basis.

The board (the "**Board**") of directors (the "**Director(s)**") of the Company wishes to announce that the sales volume of major products of the Group and Kunshan Q Tech Microelectronics (India) Private Limited ("**Q Tech India**"), a joint venture of the Company, in October 2026 is as follows:

I. The Sales Volume of Major Products of the Group *(Note)*

Product Categories	**October 2026** *('000 units)*	**Change Month-on-Month ("MoM")** *(%)*	**Change Year-on-Year ("YoY")** *(%)*
Mobile Products	38,845	-22.6	-37.7
– Camera Modules	23,904	-34.2	-45.7
– Biological Recognition Modules	14,941	8.0	-18.6
Automotive Products	999	-15.5	-24.0
IoT Products	2,252	-4.4	6.4

Note:

The Group's major products include mobile products, automotive products and Internet of Things (IoT) products manufactured and sold by the Group, among which:

(i) mobile products include camera modules and biological recognition modules applied in mobile phones, tablets and other products;

(ii) automotive products include camera modules, LiDAR products and other related products applied in automotive sector; and

(iii) IoT products include camera modules, LiDAR products and other related products applied in IoT sector.

The MoM and YoY decrease in the sales volume of mobile products was mainly attributable to the customer project cycles and the weak demand in the smartphone market, which was impacted by rising memory prices.

The MoM and YoY decrease in the sales volume of automotive products was mainly attributable to the customer project cycles.

The YoY increase in the sales volume of IoT products was mainly attributable to the steady YoY increase in sales volume of the Group's camera modules applied to XR products and LiDAR products applied to drones.

The sales volume of major products of the Group for the period from January to October 2026 is as follows:

('000 units)	**Sales Volume of Major Products of the Group in 2026**
