VOLUNTARY SUPPLEMENTAL ANNOUNCEMENT

This announcement is a supplementary announcement to the voluntary announcement of the Company dated 10 November 2026 in relation to the "Letter of Intent on Cooperation Framework" (the "**Announcement**"). Unless otherwise defined herein, terms used in this announcement shall have the same meanings as those defined in the Announcement.

The board of directors (the "**Board**") of the Company hereby supplements additional information in respect of Changzhou Qianmu New Energy Co., Limited ("**Qianmu New Energy**"), the cooperation partner disclosed in the Original Announcement.

Supplementary information is added to the section "Background of Cooperation Partner" in the Announcement as set out below:

Qianmu New Energy possesses formidable R&D capabilities, spearheaded by its core leader, Professor Zhang Jiaheng, a renowned authority in supramolecular technology. Professor Zhang serves as a professor and doctoral supervisor at the Harbin Institute of Technology and holds the prestigious title of National Distinguished Expert. As an internationally acclaimed scholar, he has been recognized among the "Global Top 1% Highly Cited Researchers" and named to the "Forbes Top 100 Outstanding Returnees" list, underscoring his exceptional standing in both academia and innovation. Highly prolific in technological innovation and research commercialization, Professor Zhang has published over 200 high-impact SCI academic papers and filed more than 200 patent applications. Through rigorous empirical data and proprietary core technologies, he continues to propel the advanced development of the supramolecular field.

Save for the supplementary information disclosed above, all other contents of the Announcement remain unchanged. The Board confirms that the remaining information in the Announcement is true, accurate and complete in all material respects.
