POSITIVE PROFIT ALERT

This announcement is made by Mobicon Group Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Director(s)**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors of the Company that, based on the preliminary review of the Group's unaudited management accounts for the six months ended 30 September 2026 (the "**Reporting Period**") and information currently available to the Board, the Group expects to record a profit for the Reporting Period of approximately HK$1.1 million and a profit attributable to the Shareholders of approximately HK$0.2 million, as compared to a loss for the period of approximately HK$2.7 million and a loss attributable to the Shareholders of approximately HK$3.0 million for the six months ended 30 September 2025.

The Board considers that the expected turnaround from loss to profit is mainly attributable to (i) improved operational efficiency and cost management in the South African subsidiaries, following the full settlement of loans and the elimination of rental and interest expenses for the fully owned headquarters; and (ii) the increase in the prices of flash memory during the Reporting Period, which resulted in improved profit margins on the Group's flash memory products.

The Company is in the process of finalising the Group's results for the Reporting Period. The information contained in this announcement is only a preliminary assessment by the Board based on the latest unaudited management accounts of the Group and information currently available and is not based on any figures or information which has been audited or reviewed by the Company's auditors. The actual results of the Group for the Reporting Period may differ from what is disclosed in this announcement. Shareholders and potential investors are advised to read carefully the interim results announcement of the Company for the Reporting Period, which is expected to be published in late November 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
