FINANCE LEASE AGREEMENT

The Board hereby announces that on November 12, 2026, the Company (as the Lessor) entered into the Finance Lease Agreement with the Lessee, pursuant to which (i) the Lessor shall acquire the Leased Assets owned by the Lessee at a transfer consideration of RMB49.00 million; and (ii) the Lessor shall lease the Leased Assets back to the Lessee for a term of 36 months, with a total finance lease payment of approximately RMB52.81 million, which shall include a finance lease principal of RMB49.00 million and a finance lease interest income (inclusive of VAT) of approximately RMB3.81 million.

As the highest applicable percentage ratio of the Finance Lease Agreement is higher than 5% but less than 25%, the transactions contemplated under the Finance Lease Agreement constitute a discloseable transaction of the Company and are subject to the notification and announcement requirements under Chapter 14 of the Listing Rules.

THE FINANCE LEASE AGREEMENT

The principal terms of the Finance Lease Agreement are as follows:

Date

The date of the Finance Lease Agreement is November 12, 2026, and the Lessee shall commence the lease term within five business days after the execution and becoming effective of the agreement.

Parties

Lessor: the Company

Lessee: a limited company established in China, primarily engaged in the operation of centralized photovoltaic power stations

To the best of the Directors' knowledge, information and belief after having made all reasonable enquiries, the Lessee and its ultimate beneficial owners are all independent third parties to the Company and its connected persons (as defined in the Listing Rules).

Leased Assets

The Leased Assets are photovoltaic equipment, with the transfer consideration of RMB49.00 million.

The Lessee does not separately calculate the profits before and after tax of the Leased Assets. The transfer consideration for the acquisition of the Leased Assets under the Finance Lease Agreement will be funded by the Company's general working capital and internal resources. If the Lessee has properly and fully performed all of its obligations under the Finance Lease Agreement, the Lessee is entitled to acquire the Leased Assets at the consideration of RMB100 in nominal value pursuant to the terms and conditions of the Finance Lease Agreement, upon the expiry of the Finance Lease Agreement.

Lease Period

The lease period of the Finance Lease Agreement is 36 months.

Lease Payment and Method of Payment

Under the Finance Lease Agreement, the total lease payment of approximately RMB52.81 million included the finance lease principal of RMB49.00 million and the finance lease interest income (inclusive of VAT) of approximately RMB3.81 million. The Lessee shall pay the lease payment to the Lessor monthly in installments in accordance with the terms and conditions of the Finance Lease Agreement during the lease period.

The terms of the Finance Lease Agreement, including the transfer consideration for the Leased Assets, finance lease principal, finance lease interest income and other expenses, were determined upon arm's length negotiation between the Lessee and the Lessor with reference to transfer consideration of the Leased Assets and prevailing market prices of the same category of finance lease products in the PRC.

Guarantee and Security

The guarantee and security arrangements for the Finance Lease Agreement are set out below:

1) One of the ultimate beneficial owners of the Lessee shall provide joint and several liabilities guarantee for the debts of Lessee under the Finance Lease Agreement;

2) The controlling shareholder of the Lessee shall provide joint and several liabilities guarantee for the debts of Lessee under the Finance Lease Agreement; and

3) The Lessee shall provide pledge of project income rights from designated projects.

REASONS FOR AND BENEFITS OF ENTERING INTO THE FINANCE LEASE AGREEMENT

The Company's principal activities are to provide finance leasing and advisory services to customers. The entering of the Finance Lease Agreements is part of the Company's ordinary and usual course of business, which is expected to provide a stable revenue and cashflow to the Company.

The Directors consider that entering into the Finance Lease Agreement will generate revenue and profit to the Company over the lease period and is consistent with the Company's business development strategy. Since the Finance Lease Agreement was entered into under normal commercial terms, the Directors are of the view that the terms under the Finance Lease Agreement are fair and reasonable and are in the interests of the Company and its shareholders as a whole.
