## POSITIVE PROFIT ALERT

This announcement is made by Envision Greenwise Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the "**Board**") of the Company would like to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on a preliminary review of the latest unaudited consolidated management accounts of the Group for the six months ended 30 September 2026 (the "**Relevant Period**") and other currently available information of the Group, the Group is expected to record a net profit of over HK$55.0 million for the Relevant Period as compared to a net profit of approximately HK$14.4 million for the six months ended 30 September 2025.

The Board considers that the increase in net profit was mainly attributable to the combined effects of: (i) the revenue and gross profit for the Relevant Period, which are expected to increase to over HK$3,500.0 million and HK$220.0 million, respectively, primarily driven by substantial growth in the reverse supply chain management and environmental-related service segment; and (ii) the selling and distribution expenses for the Relevant Period, which are expected to increase to over HK$130.0 million, in line with the growth in business volume and the result of increased operational handling and logistics costs.

As at the date of this announcement, the Company is still in the process of finalising the unaudited consolidated financial statements for the Relevant Period (including but not limited to finalising the purchase price allocation for the acquisition of a subsidiary). The information contained in this announcement is only a preliminary assessment by the Board based on the latest information currently available, and is not based on any data or information which is finalized or reviewed by the audit committee of the Company. Actual financial results of the Group may be different from what is disclosed in this announcement. Shareholders and potential investors are advised to refer to the results of the Group for the Relevant Period, which is expected to be published on 26 November 2026.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
