DISCLOSEABLE TRANSACTION IN RELATION TO THE PURCHASE OF INFORMATION TECHNOLOGY COMPUTER EQUIPMENT FOR OPERATING LEASE BUSINESS

The Board hereby announces that on 13 November 2026 (after trading hours), the Company (as the Buyer) entered into the Current Product Purchase Agreement with the Seller, pursuant to which the Seller agreed to sell to the Buyer, and the Buyer agreed to purchase the Current Purchase Targets at a total consideration of approximately RMB981,000,000 (the "**Current Transaction**").

According to Chapter 14 of the Listing Rules, as the consideration ratio of the Transactions when aggregated is higher than 25% but lower than 100%, with all other applicable percentage ratios lower than 5%, the Company considered that the original consideration ratio produces an anomalous result and applied to the Stock Exchange to apply an alternative size test. The Stock Exchange exercised its discretion under Rule 14.20 of the Listing Rules to approve the Company's adoption of the alternative size test, and, after adopting such a test, the consideration ratio of the Transactions when aggregated is higher than 5% but lower than 25%, the Current Transaction constitutes a discloseable transaction of the Company when aggregated, and is subject to the reporting and announcement requirements but is exempt from the circular and shareholders' approval requirements under Chapter 14 of the Listing Rules.
