ANNOUNCEMENT

REVISION OF ANNUAL CAP FOR CONTINUING CONNECTED TRANSACTIONS UNDER THE CURRENT CATL PURCHASE FRAMEWORK AGREEMENT

REVISION OF ANNUAL CAP FOR CONTINUING CONNECTED TRANSACTIONS UNDER THE CURRENT CATL PURCHASE FRAMEWORK AGREEMENT

Reference is made to the announcement of the Company dated January 15, 2026 in relation to the Current CATL Purchase Framework Agreement, with a term commencing from January 1, 2026 to December 31, 2026 (both dates inclusive). Under the terms of the Current CATL Purchase Framework Agreement, due to an increase in demand of the Lopal Products by the CATL CP Group, fluctuations in lithium carbonate prices and the reasons set out in the section of "Reasons for the Revision of Annual Cap under the Current CATL Purchase Framework Agreement" below, the Board (including independent non-executive Directors) has approved a revision to the annual cap under the Current CATL Purchase Framework Agreement accordingly.

IMPLICATIONS UNDER THE LISTING RULES

As CATL indirectly wholly owns Yichun Times and Yichun Times is the substantial shareholder of Lopal Times (a non-wholly owned subsidiary of the Company), CATL CP Group (comprising CATL, its subsidiaries and 30%-controlled companies (excluding Lopal Times)) are connected persons of the Company at the subsidiary level. Accordingly, the Current CATL Purchase Framework Agreement and the transactions contemplated thereunder constitute continuing connected transaction of the Company pursuant to Chapter 14A of the Listing Rules.

Pursuant to Rule 14A.101 of the Listing Rules, since (i) CATL is a connected person of the Company at the subsidiary level; (ii) the transactions contemplated under the Current CATL Purchase Framework Agreement are entered into on normal commercial terms; and (iii) the Board (including independent non-executive Directors) have approved the Current CATL Purchase Framework Agreement and the transactions contemplated thereunder, and confirmed that such transactions are entered into on normal commercial terms, are fair and reasonable and are in the interest of the Company and Shareholders as a whole, the revision to the annual cap under the Current CATL Purchase Framework Agreement and the transactions contemplated thereunder are subject to the reporting, annual review and announcement requirements but are exempt from the circular, independent financial advice and Shareholders' approval requirements under Chapter 14A of the Listing Rules.

REVISION OF ANNUAL CAP FOR CONTINUING CONNECTED TRANSACTIONS UNDER THE CURRENT CATL PURCHASE FRAMEWORK AGREEMENT

Reference is made to the announcement of the Company dated January 15, 2026. The Group carried on transactions with CATL CP Group pursuant to the Current CATL Purchase Framework Agreement, with a term commencing from January 1, 2026 to December 31, 2026 (both dates inclusive), which constituted continuing connected transactions of the Company under Chapter 14A of the Listing Rules. CATL CP Group may purchase the Lopal Products manufactured and/or processed by the Group in accordance with the specifications provided by CATL CP Group (including the products processed by the Group using raw materials provided by CATL CP Group). All sale transactions from the Group to CATL CP Group of Lopal Products including but without limitation LFP cathode materials will be covered under the Current CATL Purchase Framework Agreement.

Revision of Existing Annual Cap

As set out in the announcement of the Company dated January 15, 2026, the proposed annual cap for the total purchase price for Lopal Products payable by CATL CP Group to the Group under the Current CATL Purchase Framework Agreement for the year ending December 31, 2026 is RMB7,000.00 million. From January 1, 2026 to the date of this announcement, the aggregate amount of purchase consideration for the Lopal Products payable by CATL CP Group to the Group within the PRC was RMB6,104.22 million.

Due to an increase in demand of the Lopal Products and fluctuations in lithium carbonate prices, the Company anticipates that the annual cap under the Current CATL Purchase Framework Agreement may not be sufficient to meet the expected increase in purchase orders from the CATL CP Group. Accordingly, the Company has decided to revise the annual cap under the Current CATL Purchase Framework Agreement to RMB9,000.00 million for the year ending December 31, 2026.

Pricing and Other Terms

Save for the Revised Annual Cap, all other terms and conditions of the Current CATL Purchase Framework Agreement shall remain unchanged as set out in the announcement of the Company dated January 15, 2026.

Historical Transactions Amounts

For each of the years ended December 31, 2023, 2024 and 2025 and for the period from January 1, 2026 up to the date of this announcement, the aggregate amount of purchase price of the Lopal Products payable by CATL CP Group to the Group within the PRC was approximately RMB3,501.4 million, RMB3,111.06 million, RMB3,050.80 million and RMB6,104.22 million, respectively.

Basis of Revised Annual Cap

The Revised Annual Cap is determined after taking into account the following factors: (i) the expected expansion of the Group's production capabilities in particular the production capabilities in LFP cathode; (ii) the existing and estimated purchase orders of Lopal Products from CATL CP Group for the year ending December 31, 2026 taking into account the existing and estimated purchase quantity of the Lopal Products that has been or will be purchased by CATL CP Group as produced by the Group using the lithium-mica concentrate acquired by the Group from CATL CP Group and (iii) the historical transaction amount payable by CATL CP Group to the Group.

The Board (including independent non-executive Directors) further confirms that, as at the date of this announcement, the annual cap for transactions under the Current CATL Purchase Framework Agreement has not yet been exceeded. The Company will continue to closely monitor the implementation of the Current CATL Purchase Framework Agreement and take prompt actions to make necessary disclosure, if and when appropriate, in the event that any further adjustment to the annual cap under the Current CATL Purchase Framework Agreement becomes foreseeable.

Reasons for the Revision of Annual Cap Under the Current CATL Purchase Framework Agreement

Following the long-term cooperation, CATL CP Group is satisfied with the quality and pricing of the Lopal Products provided by the Group and has increased its purchase orders under the Current CATL Purchase Framework Agreement. Meanwhile, lithium carbonate prices have fluctuated.

Based on the latest projections of the anticipated demand from CATL CP Group, the Company expects the transaction amounts under the Current CATL Purchase Framework Agreement will soon exceed the existing annual cap. In light of the long-standing business relationship between the Group and CATL CP Group, the Directors are of the view that the Revised Annual Cap under the Current CATL Purchase Framework Agreement will facilitate the Group in capturing the additional business opportunities arising from the CATL CP Group, further deepen the cooperation between both parties and contribute positively to the revenue and profitability of the Group.

In view of the above, the Directors (including the independent non-executive Directors) are of the view that the Revised Annual Cap under the Current CATL Purchase Framework Agreement is fair and reasonable, and that the transactions under the Current CATL Purchase Framework Agreement and the Revised Annual Cap are on normal commercial terms or better, in the ordinary and usual course of business of the Group, and in the interests of the Company and the Shareholders as a whole.

INFORMATION OF THE PARTIES

The Company is a joint stock company established in the PRC, the A Shares of which are listed on the Shanghai Stock Exchange with the stock code of 603906 and the H Shares of which are listed on the Hong Kong Stock Exchange with the stock code of 2465. The Group is principally engaged in the production and sales of LFP cathode materials and automotive specialty chemicals.

CATL is a joint stock company established in the PRC, the A shares of which are listed on the Shenzhen Stock Exchange (stock code: 300750) and the H shares of which are listed on the Hong Kong Stock Exchange (stock code: 3750). CATL is a leading electrical machinery and equipment manufacturer in mainland China, located in Ningde, Fujian Province, and is primarily engaged in the research and development, manufacturing and sale of lithium-ion batteries, lithium polymer batteries, fuel cell, power batteries, extra large capacity ESS batteries and other equipment and instrument, and other related businesses.

INTERNAL CONTROL PROCEDURES OF THE GROUP

In addition to the annual review by the auditor and independent non-executive Directors pursuant to the requirements of Chapter 14A of the Listing Rules, as part of the Group's internal controls systems to ensure that the transactions between the Group and its connected persons are conducted in accordance with the terms of the Current CATL Purchase Framework Agreement (including the Revised Annual Cap), the Company will implement the following internal control measures:

(a) Before the Group enters into transactions under the Current CATL Purchase Framework Agreement, the business department of the Group will obtain relevant prices on SMM or other industry recognized organizations and compare with the price offered to the Group, and ensure that the terms of the transactions are on normal commercial terms, and are fair and reasonable.

(b) The finance department of the Company will cross check the pricing of transactions under the Current CATL Purchase Framework Agreement to ensure that the continuing connected transactions under the Current CATL Purchase Framework Agreement are conducted in accordance with the pricing terms thereof, including reviewing the transaction records of the Company for the purchase or provision of similar goods or services from or to Independent Third Parties, as the case may be.

(c) The legal and risk management department of the Company will regularly convene relevant functional departments to hold meetings to discuss issues in the transactions under the Current CATL Purchase Framework Agreement and recommendations for improvement.

(d) The finance department of the Company will summarize the transaction amounts incurred under the Current CATL Purchase Framework Agreement regularly on a monthly basis and submit reports to the management of the Company. The management and the relevant departments of the Company can be informed of the status of the continuing connected transactions in a timely manner such that the transactions can be conducted within the annual caps.

(e) The business department of the Company will inform the securities department of the Company before introducing any material change in business arrangement with CATL CP Group in respect of transactions contemplated under the Current CATL Purchase Framework Agreement so as to enable the Company to take necessary actions and comply with applicable requirements under the Listing Rules before implementation of such change.

The Directors are of the view that the above methods and procedures can ensure that the pricing and other contract terms for the Group's continuing connected transaction are on normal commercial terms, fair and reasonable and in the interests of the Company and the Shareholders and that the continuing connected transaction is conducted as agreed in the relevant Current CATL Purchase Framework Agreement and in compliance with Chapter 14A of the Listing Rules.

IMPLICATIONS UNDER THE LISTING RULES

As CATL indirectly wholly owns Yichun Times and Yichun Times is the substantial shareholder of Lopal Times (a non-wholly owned subsidiary of the Company), CATL CP Group (comprising CATL, its subsidiaries and 30%-controlled companies (excluding Lopal Times)) are connected persons of the Company at the subsidiary level. Accordingly, the Current CATL Purchase Framework Agreement and the transactions contemplated thereunder constitute continuing connected transaction of the Company pursuant to Chapter 14A of the Listing Rules.

As the Procurement Cooperation Agreement and the Current CATL Purchase Framework Agreement both relate to the purchase transactions by CATL Group and the Group, the annual caps in relation to the Procurement Cooperation Agreement and the Current CATL Purchase Framework Agreement shall be aggregated for the purpose of Chapter 14A of the Listing Rules.

Pursuant to Rule 14A.101 of the Listing Rules, since (i) CATL is a connected person of the Company at the subsidiary level; (ii) the transactions contemplated under the Current CATL Purchase Framework Agreement are entered into on normal commercial terms; and (iii) the Board (including independent non-executive Directors) have approved the Current CATL Purchase Framework Agreement and the transactions contemplated thereunder, and confirmed that such transactions are entered into on normal commercial terms, are fair and reasonable and are in the interest of the Company and Shareholders as a whole, the revision to the annual cap under the Current CATL Purchase Framework Agreement and the transactions contemplated thereunder are subject to the reporting, annual review and announcement requirements but are exempt from the circular, independent financial advice and Shareholders' approval requirements under Chapter 14A of the Listing Rules.

None of the Directors has any material interest in the Current CATL Purchase Framework Agreement (including the Revised Annual Cap) and the transactions contemplated thereunder, and hence no Director was required to abstain from voting on the relevant board resolutions approving the revision to the annual cap under the Current CATL Purchase Framework Agreement and the transactions contemplated thereunder.
