VOLUNTARY ANNOUNCEMENT
ON-MARKET SHARE PURCHASE
FOR THE 2022 SECOND SHARE INCENTIVE PLAN

This announcement is made by DPC Dash Ltd (the "**Company**", together with its subsidiaries, the "**Group**") on a voluntary basis.

Reference is made to the 2022 Second Share Incentive Plan of the Company adopted on November 23, 2022 (the "**Plan**"). Pursuant to the Plan, the Company has established a trust (the "**Trust**") and appointed a professional trustee (the "**Trustee**") to hold shares of the Company (the "**Shares**") and other trust property under the Trust for the purposes of implementing and administering the Plan.

The board of directors of the Company (the "**Board**") announces that, from October 14, 2026 to November 10, 2026, the Trustee purchased Shares on the open market for the purpose of satisfying the grant of awards under the Plan as detailed below:

Purchase period:	From October 14, 2026 to November 10, 2026
Total number of Shares purchased:	944,600 Shares
Average consideration per Share:	Approximately HK$31.82

The Shares purchased will form part of the assets of the Trust and will be held by the Trustee for the benefit of the eligible participants of the Plan in accordance with the Plan and the trust arrangement. Subject to market conditions and applicable regulatory requirements, the Company intends to instruct the Trustee to continue to purchase Shares on the open market from time to time to satisfy future share awards under the Plan.

The Board is of the view that the Company's current share price is below its intrinsic value and may not adequately reflect its business prospects. Accordingly, the Board considers this a good opportunity for the Trustee to purchase Shares on-market to satisfy the grant of awards under the Plan. In addition, the on-market purchase of Shares in accordance with the Plan demonstrates the Company's confidence in its business outlook and prospects, and also serves as part of the Company's strategy to attract talent and align the interests of key employees with the interests of the Company for the sustainable long-term growth of the Group.
