VOLUNTARY ANNOUNCEMENT
ON-MARKET SHARE REPURCHASE

This announcement is made by MOMENTA GLOBAL LIMITED (the "**Company**", together with its subsidiaries, the "**Group**") on a voluntary basis.

In accordance with written resolutions of the shareholders of the Company (the "**Shareholders**") passed on June 12, 2026, the board (the "**Board**") of directors of the Company (the "**Director(s)**") was granted a general mandate (the "**Class A Ordinary Shares Repurchase Mandate**") to repurchase class A ordinary shares of the Company (the "**Class A Ordinary Share(s)**"), provided that such number of Class A Ordinary Shares shall not exceed 10% (i.e. no more than 23,553,801 Class A Ordinary Shares) of the total number of the shares of the Company (the "**Share(s)**") in issue immediately following completion of the global offering of the Company (excluding any treasury shares). Details of the Class A Ordinary Shares Repurchase Mandate were set out in the prospectus of the Company dated June 29, 2026.

The Board wishes to announce that the Company intends to, subject to suitable market conditions, exercise the Class A Ordinary Shares Repurchase Mandate and repurchase the Company's issued Class A Ordinary Shares in the open market for an aggregate purchase price of up to HK$2 billion (the "**Proposed Class A Ordinary Shares Repurchase**") for a period from the date of this announcement to the date of the next annual general meeting of the Company, or the date by which the next annual general meeting is required by the articles of association of the Company or any applicable law to be held, or the passing of an ordinary resolution by the Shareholders revoking or varying the authority given to the Directors, whichever occurs first. The Company will conduct the Proposed Class A Ordinary Shares Repurchase in compliance with the memorandum and articles of association of the Company in effect, the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**"), the Codes on Takeovers and Mergers and Share Buy-backs, and all applicable laws and regulations which the Company is subject to.

The Board believes that the current trading price of the Class A Ordinary Shares does not adequately reflect its intrinsic value and business prospects. After taking into comprehensive consideration the Group's current operating performance, financial position, capital arrangements, and business prospects, the Board considers that the Proposed Class A Ordinary Shares Repurchase will demonstrate the Board's strong confidence in the Company's business prospects and its technology competitiveness. The Board also believes that the Proposed Class A Ordinary Shares Repurchase will be beneficial to the Company and create value to the Shareholders, and thus the Proposed Class A Ordinary Shares Repurchase is in the best interests of the Company and its Shareholders as a whole. The Proposed Class A Ordinary Shares Repurchase will only be conducted in circumstances which the Board considers to be appropriate and in the interests of the Company and its Shareholders as a whole.

The Board believes that the Company's current financial resources are sufficient to implement the Proposed Class A Ordinary Shares Repurchase while maintaining a solid financial position and sufficient working capital for the continued operation and development of the Group's business. The Company intends to fund the Proposed Class A Ordinary Shares Repurchase with its available cashflow and internal resources and will not utilize the proceeds from the initial public offering of the Class A Ordinary Shares on the Main Board of The Stock Exchange of Hong Kong Limited.

The Company may cancel the repurchased Class A Ordinary Shares and/or hold them as treasury shares, as deemed appropriate by the Board. The Proposed Class A Ordinary Shares Repurchase shall not result in the number of the Class A Ordinary Shares held by the public falling below the relevant minimum percentage prescribed by the Listing Rules.

Shareholders and potential investors should note that the implementation of the Proposed Class A Ordinary Shares Repurchase by the Board under the Class A Ordinary Shares Repurchase Mandate will be subject to market conditions and will be at the absolute discretion of the Board and/or its authorized person(s). There is no assurance of the timing, quantity or price of any repurchase. Shareholders and potential investors should exercise caution when dealing in the Class A Ordinary Shares.
