# POSITIVE PROFIT ALERT — REDUCTION IN LOSS

This announcement is made in accordance with Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of Yangtzekiang Garment Limited (the "**Company**", together with its subsidiaries, the "**Group**") wishes to inform the shareholders of the Company and potential investors that, the Group is expected to record a net loss after taxation in the range of between HK$7 million to HK$13 million for the six months ended 30 September 2026 as compared to a net loss after taxation of approximately HK$53 million for the six months ended 30 September 2025. It is mainly attributable to the reduction in the recognition of the share of losses of our joint ventures, which benefited from the improvement in domestic market demand, and steadily rising selling price, leading to an improvement in gross profit.

The information contained in this announcement is solely based on the information currently available to and the preliminary review by the Group's management of the unaudited consolidated management accounts and other financial information of the Group for the six months ended 30 September 2026, which are subject to finalisation and necessary adjustments and have not yet been audited, confirmed or reviewed by the Company's independent auditor or its audit committee. Therefore, the actual consolidated results of the Group for the six months ended 30 September 2026, which are expected to be released by the end of November 2026, may differ from the information contained in this announcement. Shareholders and potential investors of the Company are therefore advised to peruse the results with care when the results announcement is released.

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.**
