POSITIVE PROFIT ALERT – EXPECTED DECREASE IN INTERIM LOSS AND BUSINESS UPDATE

This announcement is made by Hin Sang Group (International) Holding Co. Ltd. (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to the Inside Information Provisions (as defined in the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**")) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) and Rule 13.09(2)(a) of the Listing Rules.

Expected Decrease in Interim Loss

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on a preliminary review and assessment of the draft unaudited consolidated management accounts of the Group for the six months ended 30 September 2026 (the "**Period**") and the information currently available to the Board, the Group is expected to record a consolidated net loss of approximately HK$4.9 million for the Period, representing a decrease of approximately 50.3% as compared with the consolidated net loss of approximately HK$9.8 million for the six months ended 30 September 2025 (the "**Corresponding Period**").

The expected reduction in consolidated net loss was primarily attributable to an increase in gross profit of approximately HK$5.3 million, or approximately 15.4%, from approximately HK$34.0 million for the Corresponding Period to approximately HK$39.3 million for the Period. During the Period, revenue increased by approximately HK$5.1 million, or approximately 10.3%, from approximately HK$49.9 million to approximately HK$55.0 million, while gross profit margin improved by approximately 3.2 percentage points from approximately 68.2% to approximately 71.4%.

The Company is still in the process of finalising the unaudited consolidated results of the Group for the Period. The information contained in this announcement is only based on the preliminary review and assessment by the Board with reference to the information currently available to the Board, including the unaudited consolidated management accounts of the Group for the Period, and hence may be subject to further adjustments. The unaudited consolidated management accounts of the Group for the Period have not yet been finalised or reviewed by the auditor of the Company or the audit committee of the Board. Shareholders and potential investors of the Company are advised to read carefully the results announcement of the Company for the Period, which is expected to be published on 26 November 2026.

Business Update

During the Period, the Group achieved improved operating efficiency, with gross profit growing at a faster pace than revenue. Alongside this gross profit expansion, the Group maintained disciplined cost control, with aggregate selling and distribution expenses and administrative expenses remaining broadly stable at approximately HK$36.3 million for the Period, as compared to approximately HK$36.2 million for the Corresponding Period.

Notwithstanding that the Group remained loss-making during the Period, the combination of gross profit growth and stable operating expenses contributed to the substantial narrowing of the Group's consolidated net loss and demonstrated the resilience of the Group's core operations.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
