VOLUNTARY ANNOUNCEMENT
OBTAINING INDEPENDENT ROAD MOTOR VEHICLE PRODUCTION QUALIFICATION

This announcement is made by VOYAH Automotive Technology Co., Ltd. (the "**Company**") on a voluntary basis.

The Company is pleased to announce that the Ministry of Industry and Information Technology of the People's Republic of China officially issued Announcement No. 31 of 2026 on November 16, 2026, setting out the "Catalogue of Road Motor Vehicle Manufacturing Enterprises and Products (Batch 412)" (《道路機動車輛生產企業及產品》(第412批)), and the Company has been included in the list of approved road motor vehicle manufacturing enterprises for this batch and has officially obtained admission qualification as a road motor vehicle manufacturer.

Admission as a road motor vehicle manufacturer serves as an important qualification safeguard for an enterprise to lawfully carry out road motor vehicle production and business operations. Obtaining this admission qualification marks the recognition of the Company's independent operating capabilities and standardized management system, which will help the Company further improve its product research and development, manufacturing, quality management, and product system, while enhancing its operational and management autonomy and driving its sustainable development.

Looking ahead, in compliance with applicable PRC laws, regulations and industry regulatory requirements, the Company will build on this milestone to continuously strengthen its capabilities in product research and development, manufacturing, quality management, and after-sales services, further enhance its core competitiveness, and deliver safe, reliable, and high-quality new energy vehicle products and services to customers.

ABOUT VOYAH

VOYAH is the premium intelligent new energy vehicle brand under Dongfeng Motor Corporation, committed to providing customers with products and services rooted in Chinese cultural heritage. As a user-oriented technology enterprise with the full value chain covering design, research and development, manufacturing, supply chain, sales and services, the Company has built end-to-end in-house R&D capabilities and leading-edge innovation strength. It has developed model series such as Dream, Taishan and Passion, fully covering the three segments of MPVs, SUVs and sedans. VOYAH is the first premium new energy vehicle brand under China's central state-owned enterprises to achieve cumulative deliveries of 400,000 units.
