CHANGE IN BOARD LOT SIZE

The board (the "**Board**") of directors (the "**Director(s)**") of Alibaba Health Information Technology Limited (the "**Company**") hereby announces that the board lot size of the shares of HK$0.01 each in the capital of the Company (the "**Share(s)**") for trading on the Main Board of The Stock Exchange of Hong Kong Limited (the "**Stock Exchange**") will be changed from 2,000 Shares to 500 Shares with effect from 9:00 a.m. on Wednesday, December 9, 2026 (the "**Change in Board Lot Size**").

Based on the closing price of HK$2.735 per Share as quoted on the Stock Exchange as at the date of this announcement, the market value of existing board lot of 2,000 Shares each is HK$5,470.00. Upon the Change in Board Lot Size becoming effective, the Shares shall be traded in board lots of 500 Shares each, and the market value of the then board lot of 500 Shares each will be HK$1,367.50 (based on the closing price of HK$2.735 per Share as quoted on the Stock Exchange as at the date of this announcement). The Board is of the view that the reduction in board lot value resulting from the Change in Board Lot Size may improve the liquidity of the Shares and broaden the Company's shareholders (the "**Shareholders**") base. The Change in Board Lot Size will not affect any of the relative rights of the Shareholders. The Board is of the opinion that the Change in Board Lot Size is in the interest of the Company and the Shareholders as a whole.

As no odd board lot size of the Shares will be created as a result of the aforesaid Change in Board Lot Size (other than those already existed before such Change in Board Lot Size becoming effective), no odd lot arrangement to match the sales and purchase of odd lots will be made by the Company.
