VOLUNTARY ANNOUNCEMENT
RECOGNITION OF THE GROUP'S LONG-TERM VALUE AND DEVELOPMENT PROSPECTS BY CORNERSTONE INVESTORS

This announcement is made by Shanghai Top Numerical Control Technology Co., Ltd. (the "**Company**", together with its subsidiaries, the "**Group**") on a voluntary basis.

References are made to the prospectus (the "**Prospectus**") of the Company dated 12 May 2026 and the announcement of final offer price and allotment results (the "**Allotment Results Announcement**") of the Company dated 19 May 2026. Unless otherwise defined, capitalised terms used in this announcement shall have the same meanings as those defined in the Prospectus and the Allotment Results Announcement. As disclosed in the Prospectus and the Allotment Results Announcement, the cornerstone investors participating in the Global Offering of the H Shares of the Company were allocated 32,665,000 H Shares, representing approximately 7.79% of the issued share capital (including treasury shares) of the Company as at the date of this announcement. Such H Shares were subject to a lock-up period of six months from the date of listing of the H Shares of the Company, being 20 May 2026, and the last day of the lock-up period applicable to such H Shares falls on 19 November 2026.

To the best of the Directors' knowledge, information and belief, having made reasonable enquiries, majority of the cornerstone investors have expressed their recognition of the long-term value and development prospects of the Group, and their confidence in the Group's growth potential in the field of five-axis CNC machine tools and intelligent manufacturing equipment for aviation, aerospace, humanoid robot, etc.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.

By order of the Board
