The various types of asset management products invested in by the product shall be limited to investments in various standardized assets only.

The terms of the HTSC Wealth Management Product Agreement No. 10 are determined upon arm's length negotiations between the parties.

INFORMATION ON THE PARTIES

The Company is a commercial-ready biopharmaceutical company committed to the discovery, development and commercialization of innovative and differentiated biologics for the treatment of autoimmune, oncology and ophthalmic diseases with unmet medical needs in China and globally.

HTSC is a securities company established in the PRC, the A shares and H shares of which are listed on the Shanghai Stock Exchange (stock code: 601688) and the Stock Exchange (stock code: 06886), respectively. HTSC mainly provides financial services, including wealth management, institutional services, investment management and international business.

To the best knowledge, information and belief of the Directors having made all reasonable enquiries, HTSC and its ultimate substantial beneficial owners as publicly disclosed by HTSC are third parties independent from the Company and its connected persons.

REASONS FOR AND BENEFITS OF ENTERING INTO THE HTSC WEALTH MANAGEMENT PRODUCT AGREEMENT NO. 10

On the premise of strictly controlling investment risks, the Company intends to fully revitalize idle funds and improve capital utilization efficiency by deploying and managing self-owned funds through wealth management products. The allocated low-to-medium risk products feature overall controllable risks and yield higher than those of bank time deposits for the same period, which can effectively boost the investment returns on idle funds.

The Directors consider that the terms of the HTSC Wealth Management Product Agreement No. 10 and the transaction contemplated thereunder are fair and reasonable, on normal commercial terms or better in the ordinary course of business of the Group, and are in the interests of the Company and its Shareholders as a whole.
